**ourvoices.ca** – part of the Oumushkego Oral History Project – provides a unique opportunity to create a world-class digital archive and website – a permanent record of Swampy Cree teachings. This project has been made possible through the generosity of Canadian Heritage, The University of Winnipeg, Nishinawbe Aski Nation, the North West Company, Wawanesa Mutual Insurance Company, and other community donors.

*We are honoured that Louis Bird will be on hand to share a story with us. In addition to performing traditional Cree legends, mystery stories, and oral history, Bird has devoted three decades to documenting Cree oral traditions.*
