For Immediate Release

LearningCITI: Bridging the Digital Divide

WINNIPEG—University of Winnipeg President Lloyd Axworthy, Red River College President Jeff Zabudsky, Centre for Aboriginal Human Resource Development (CAHRD) President Wayne Helgason and Smart Partners of Manitoba Chair Simone Smith will together launch their unique LearningCITI project November 21, 2006.

LearningCITI (Computer and Information Technology Infrastructure) is a technically innovative wireless service in downtown Winnipeg. It will bridge the digital divide and provide free Internet access—as well as beneficial learning resources and tools—at points across the downtown and the inner city.

LearningCITI Launch and Demonstration
Tuesday, November 21, 2006
10:30 a.m. – 11:30 a.m.
Centre for Aboriginal Human Resource Development
181 Higgins Avenue

Members of the media are welcome to attend.
Public parking is available across the street from CAHRD.
